Workshop 2 Redevelopment Option 1

On August 15th Workshop No 2 Knightstone presented three potential redevelopment options. These options have been developed in response to the CAG Vision, feedback from Workshop No1 and their design brief.

Option 1 retains Westmoreland House and creates separate vehicle and pedestrian access to the site. Picton Street is extended into the site through a new walkway cut through Westmoreland House giving access to a square behind the Carraigeworks. New accommodation is built to the front of Westmoreland House and one new floor added. The original roof of the Carraigeworks is restored.

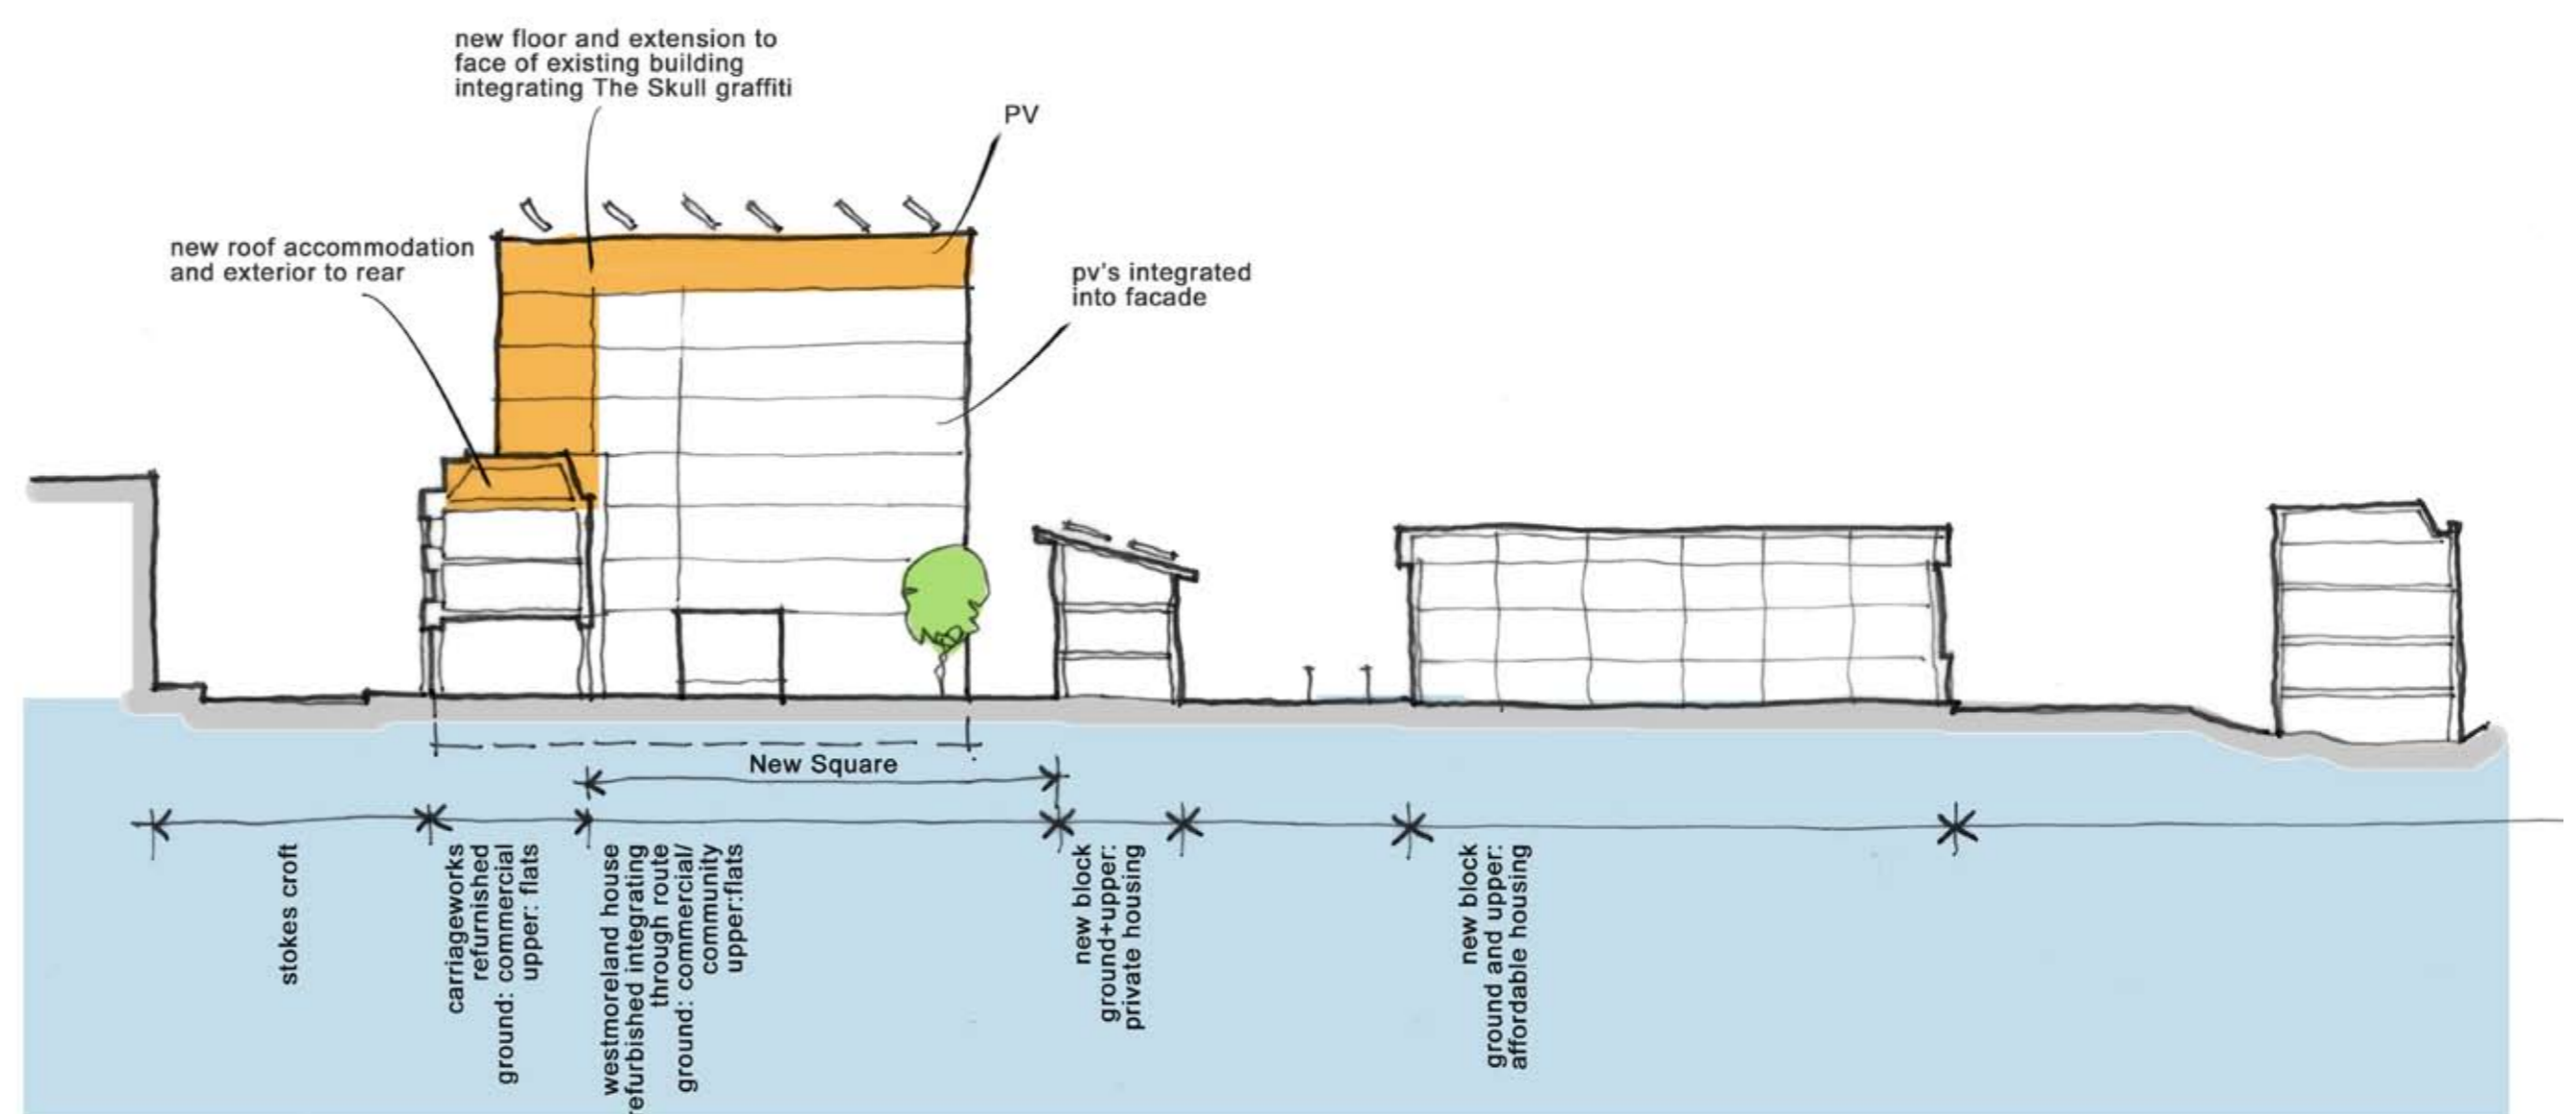

Separate vehicle access off Ashley Road provides access to the family housing, limited parking, servicing and turning for refuse vehicles.

WHAT DO YOU THINK?

Key:

- Commercial space (ground floor - flats above)
- Residential - Flats
- Residential - Houses
- Public shared space
